Dear Parents and Carers,

We are looking into the option of offering full time places in our Nursery from this September. This would mean that children would be able to attend from 7.45 a.m. until 5.30 p.m. every day during term time.

During the day children would be provided with breakfast, mid-morning and afternoon fruit and milk and a light tea at 3.30 pm. Parents/carers would need to provide a packed lunch.

Children over the age of 3 are entitled to 15 hours free nursery care per week, which equates to 3 hours per day. In the same way that a privately run nursery would charge, there would be a charge for the extra hours attended. We have estimated that the cost to parents/carers would be around £165 per week (subject to change).

Please take a few moments to complete the questions below to allow us to find out what demand there is for this provision.

1. Would you or someone you know, be interested in a child attending full time Nursery?

Yes No

2. Would you be interested in your child attending every day?

Yes No

Child's Name: _____ Child's Class: _____

Please complete and return to the school office by Friday 27th February.

Thank you in advance for your help.

Kind Regards

Lucy Rodgers
