Friday 20th March 2015

Dear Parents and Carers,

We are delighted to let you know that your child's school has kindly chosen to support Marie Curie Nurses by taking part in **Mini Pots of Care**.

Our children have grown daffodil bulbs in mini pots provided free of charge by Marie Curie and have cared for them in the winter months.

Your child has brought home their daffodil and a donation envelope to give you, your family and friends the chance to recognise your child's efforts and make a donation to Marie Curie.

Marie Curie Nurses work in communities across the UK to provide free hand-on care to terminally ill people in their homes, and vital emotional support for their families.

Please help us raise more money so that we can provide free care and support to people who need it – and your child is helping us to do just that. Your donations will help us to care for more terminally ill people at home, as well as cover the cost of the daffodil planting kit and learning resources.

Please return the donation envelope to your child's school by the 30th April 2015. If you are a UK taxpayer, do remember to complete the Gift Aid form on the back of the envelope to increase your donation to us by 25 per cent, at no extra cost to you.

Thank you for your valuable support.

Miss Charlotte Thorn
Class Teacher, PE & Science Co-ordinator
