CHAMPIONS OF CHANGE

What is Children in Need?

Children in Need is a charity that changes the lives of children across the UK so that they are safe, happy and are able to be the best that they can be. It was selected by the children at our school last year to be one of our charities. We are planning lots of fundraising activities (detailed below) and we are asking for your support! For more information please visit <https://www.bbcchildreninneed.co.uk/fundraisinghub>

Article 29 – Every child has the right to be the best that they can be.

Personal Challenges

This year's theme is **Champions of Change** and the children have been thinking about what they would like to change for the better! Each class is setting their own personal challenge that they will undertake in return for some sponsorship. We would love it if families got involved too, by challenging themselves to changing habits such as; eating more healthily, walking more or switching off screens. Please see the sponsorship form attached, fill it out to sponsor your child's personal challenge and return along with money raised by Friday 20th November.
