

Thursday 22nd October 2015

Dear Parents/Carers,

PE Kits: Classes 9 and 11.

From Thursday 5th November until Christmas, Reception classes 9 and 11 will be participating in a sports programme run by the QPR Community Trust. The programme involves weekly practical sports sessions and healthy living workshops.

For the sessions, every child requires a full PE kit including;

- plimsolls (pull-on, elastic fronted)
- purple P.E. shorts
- a white T shirt
- a draw-string PE bag (can be brought from the school office, price £4.50)

These can be purchased from Kevin's, 17 The Broadway, Greenford. Telephone No: 020 8578 1210

Our uniform gives children a sense of pride in their school and helps to develop a whole-school identity. Appropriate clothing, whilst participating in physical activity, is essential for enjoyment and safety.

Parents are required to mark all items of clothing with the child's name and to teach their children to take care of their own property. The school cannot accept responsibility for lost items. PE kits remain in school until the end of term and are only returned home during the holidays for washing.

If you have any difficulty in purchasing a PE kit please speak to your child's teacher at the earliest convenience.

Yours Sincerely

Katie Browne
