Dear Parents and Carers,

Help your child to learn Workshop – Reception Phonics

We are very fortunate to be able to offer parents of Reception children a workshop provided by Alex Charalambous who is an expert in this field.

The workshop will be held on **10th February at 9.00 am and will last for 1 hour.**

The session will enable you to get an understanding of what Phonics is about and how it is taught at this school. You will learn about the terminology that is used in the teaching of phonics to your children and the skills involved with learning to read. You will also be provided with strategies and ideas to use with your child at home.

I hope you will agree this is an invaluable workshop. You will be shown how to help your child with the process of learning to read through practical, interactive activities that will motivate and inspire your child.

In addition each parent will receive a handout pack to take away with them.

Yours sincerely

Lucy Rodgers
