

Don't miss our next exciting **SEND Support meeting for Parents** with special needs and join us on

Thursday 16th March 2017 at 9 -11am

We have a very amazing agenda led by two great speakers. Starting from Team Wood End, a qualified Wood End Teacher with experience working in a special needs school with useful strategies for parents to practice with your child at home by Miss. Payne. This talk will also benefit parents with tools for coping at birthday parties, instead of declining the birthday invite.

Second speaker we are delighted to invite is Mr. Nick Radclyffe, from [Ealing Help](#) providing a wealth of information. Recommendations to use [Ealing Help](#) website for guide for events, swimming and days out.

Information on the various Ealing services, local support groups , Life and lesiure, and short breaks. Ealing Mencap, a wealth of supporting workers are pictured below.

Do come along and find out more.
