

17 June 2019

Dear Parents and Carers of Team Wood End,

I have been extremely proud and privileged to be the Headteacher of Wood End Infant School for the last three years, it is a position that I have been honoured to hold. However, I will be leaving Wood End Infant School at the end of the academic year.

I thank you all for all the support and kindness you have shown me over the years; we have really worked hard together to be an understanding, respectful and happy community. You have supported me through the changes that I have made, trusting that I have always wanted the very best for each and everyone of your children. I am very grateful for that because that has meant that your children have had an extremely positive start to their learning journeys.

We really are a very special school and I would like to take this opportunity to thank all the staff that I have worked with during my time here. They are extremely hard working and have been completely dedicated to my vision and ethos for the educational setting that I have created.

The Governors have always believed in me and for that I am very grateful as it has allowed us to become the nurturing and child centred school that we are.

I would like to welcome Mr Warner Stainbank from Wood End Academy to our team; he will be acting as Interim Executive Head from September.

I am looking forward to enjoying the next few weeks with you and your children, we have many exciting events coming up such as the summer carnival, schools trips and of course our end of year celebration assemblies.

I have truly loved working with and for you all, and I wish you and your families the very best. As I say to the children, once you have been a part of Team Wood End you always are! And I hope you all have some special memories of our time together, I know I have many.

Warmest Wishes

Madhu Bhachu
